Older Adult Services

The transitions of life can be difficult for an older adult to navigate. These changes may include loss of a spouse, siblings, home and possessions, along with physical and mental decline. It is often beneficial to have the support of a caring professional to provide stability and encouragement on the journey. WellSpan Philhaven’s Older Adult Services is here to help during these life changes.

The Service

• Comprehensive services include initial and follow-up psychiatric consultations, cognitive evaluations, behavioral management and individual counseling, as needed.
• Our professionals include psychiatrists, psychologists, nurse practitioners and licensed clinical social workers.
• We’ll work to find the best professional for your needs.
• Billing of insurance companies will be handled seamlessly.
